

## ABOUT AACCP

Founded in 2022, the Arkansas Association of Cancer Professionals (AACCP) is a powerful community of multidisciplinary care providers involved in treating patients with cancer.

AACCP is a state Chapter Member of the Association of Cancer Care Centers (ACCC).

Members receive valuable educational content and innovative resources designed to help stay ahead of state and national challenges that directly impact the high-quality, affordable care their patients deserve.

## OUR MISSION

AACCP strives to promote the highest professional standards of oncology in Arkansas through member-driven educational programs, peer-to-peer networking opportunities, and collaboration with local organizations and industry trailblazers.

## JOIN TODAY!

Learn more at [aacp-arkansas.com](https://aacp-arkansas.com) and scan the QR code to apply!

For questions, contact our Membership Department at [ossmembership@acc-cancer.org](mailto:ossmembership@acc-cancer.org).

## MEMBER BENEFITS

- **Learning and networking** with peers and Industry representatives at Annual Conference;
- **Advocacy support** to address policies that affect oncology care, including legislative updates on state and federal issues; legislative participation through an interactive advocacy platform; collaboration with peers on state-level advocacy initiatives;
- **Leadership opportunities** on state board that provide strategic guidance and direction on state priorities and initiatives;
- **Free continuing education credits** for clinicians to stay informed of best practices and advances in care;
- **Engagement in AACCP members-only community** within the ACCCeXchange online discussion forum for local shared knowledge, insights, and real-time conversations among colleagues from every oncology discipline;
- **Multidisciplinary education and resources** from the Association of Cancer Care Centers (ACCC).
